Lecture for healthcare teams

A short lecture by Dr. Zitter which aims to improve healthcare teams’ efficacy in communicating with seriously ill patients and their families.

DOUBLE-FEATURE SCREENING

EXTREMIS & CAREGIVER: A LOVE STORY

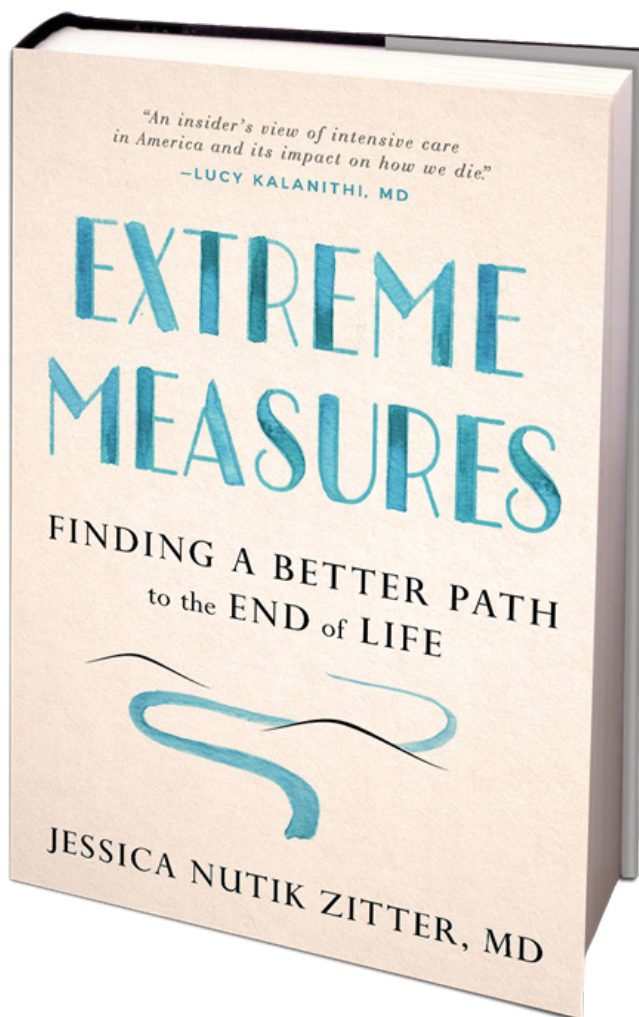

3-hour program

A 3-hour workshop that utilizes the power of film to raise awareness about how we behave in end-of-life situations and then motivate us to pursue a more effective approach. Can be tailored to healthcare or lay audiences.

SEMINAR FOR PHYSICIANS

EXTREME MEASURES: FINDING A BETTER PATH TO THE END OF LIFE

 **8-hour program**

By naming and reflecting on the emotional challenges of being a physician —the fear of being wrong, the shame of not being able to cure, the trauma of witnessing suffering— participants are empowered and motivated to explore a new way to care for their patients. And themselves.
